KINGDOM CREED

This document is presented as a declaration of faith, covenant, and alignment with the Heavenly Father, to be examined against Scripture. Each person is called to search the Word and test all things.

"5 Every word of the Heavenly Father is tested and refined. He is a shield to those who trust and take refuge in Him." **Proverbs 30:5**

This is my declaration of faith and my understanding of what the key of David holds and opens through the covenant - the restoration of forgotten alignment with the Heavenly Father, through the teachings of our Redeemer, His Son Yeshua, who heals, reveals, and restores truth, enabling me to receive salvation as a son or daughter and an heir in His coming Kingdom.

SECTION 1: THE HEAVENLY FATHER

1. I believe in **THE GREAT I AM**, the Heavenly Father, Creator of heaven and earth, who alone is sovereign over all things.
2. I believe the Name of the Heavenly Father, "YHUH", is set apart and holy. I honour and uphold it, I do not speak it. I do not substitute it with names or titles rooted in tradition or distortion.
3. I believe He is the God of Abraham, Isaac, and Jacob, and that His covenant remains faithful and unchanging.
4. I believe all authority, power, and judgment originate from the Heavenly Father and belong to Him alone and are exercised according to His will.
5. I believe He is holy, just, merciful, all-powerful, and perfect in all His ways.
6. I believe He established order, time, and boundaries in creation, and that all things remain subject to His will.
7. I believe the Heavenly Father is the source of all authority, that Yeshua His Son reveals Him and fulfils His will, and that His Spirit is present and active among His people, guiding, confirming, and establishing His truth.

SECTION 2: YESHUA

8. I believe in Yeshua, the Son, who was sent by the Heavenly Father as our Saviour to restore truth, reveal the condition and enslavement of humanity, and show us the way back to our true identity and new life, restoring our relationship with the Heavenly Father and our inheritance according to His promise, as we walk in obedience to His commandments.
9. I believe the true Hebrew Name of Yeshua is set apart, and I honour it as the Name through which redemption, authority, and restoration are revealed.
10. I believe that truth is established in Scripture, and history is now confirming what has long been hidden from humanity.
11. I believe Yeshua walked in perfect obedience and revealed the will of the Heavenly Father, performing miracles that demonstrated His authority, healing power, and compassion.
12. I believe He taught love, righteousness, obedience, and truth, and that when love is present, it fulfils and rightly orders all commandments.
13. I believe Yeshua came to restore the correct understanding and application of the law, revealing its true intent and calling us back into obedience to the Heavenly Father.
14. I believe He showed how to worship and pray to the Heavenly Father.

15. I believe He taught me to love my neighbour and my enemy without condition.
16. I believe He came to restore my identity as a true child of the Heavenly Father.
17. I believe He showed how to care for the vulnerable, the fatherless, widows, and children.
18. I believe He was crucified, died, and rose again according to the will of the Heavenly Father.
19. I believe through Him I am redeemed and brought back into covenant.
20. I believe that through Yeshua the Heavenly Father has revealed His plan to gather and unite His people from both the Twelve Tribes and the nations into one covenant, according to His promise.

SECTION 3: SCRIPTURE AND TRUTH

21. I believe Scripture contains the most faithfully preserved record of the Heavenly Father's truth.
22. I believe it is important to seek out and study the most faithfully preserved translations of Scripture, recognising that some translations may have been altered or interpreted in ways that may distort the original meaning of the Heavenly Father's truth.
23. I believe truth must be restored according to Scripture, not tradition, and that Scripture must be read with discernment, understanding both its literal and deeper meaning.
24. I believe I must continue to search, test, and rightly study the Word, remaining attentive to the voice of the Heavenly Father and the teachings of Yeshua.
25. I believe deep-seated deception has been at work for generations, and that I must walk in continual discernment.
26. I believe the Old Testament forms the foundation of the Heavenly Father's covenant and appointed order, and remains essential for understanding truth and obedience.

SECTION 4: COVENANT AND OBEDIENCE

27. I believe covenant requires obedience, not passive belief.
28. I believe I am called to walk in alignment with the commandments of the Heavenly Father.
29. I believe I am accountable for my actions, and obedience is the evidence of my faith.
30. I believe I must live set apart from systems that oppose Him.
31. I believe I am called to be disciplined, consistent, and faithful in all areas of life.
32. I believe my identity is restored through covenant and obedience to the Heavenly Father, and is not determined by race, nation, or man-made systems.
33. I believe grace does not remove the requirement for obedience, but enables me to walk in alignment with the Heavenly Father.
34. I believe the law of the Heavenly Father remains established and was not abolished, and that Yeshua clarified and restored its true meaning, calling us to walk in obedience according to it.
35. I believe in baptism as an act of repentance and covenant commitment, entered into with understanding and conscious intent, where I lay down my old life and rise into new life in alignment with Yeshua, witnessed by the Heavenly Father in Spirit, awaiting my new name.
36. I believe in the presentation of infants before the Heavenly Father and the congregation, where a blessing is spoken over the child, and the parents commit to raising the child in a God-fearing and obedient way.

SECTION 5: DISCERNMENT, AUTHORITY, AND PREPARATION

37. I believe preparation includes restoring truth according to Scripture.
38. I believe there will be a gathering of the Elect into places of safety prepared by the Heavenly Father, and I am called to participate in this preparation according to His will.
39. I believe both light and darkness are subject to the authority of the Heavenly Father and cannot act beyond what He permits.

40. I believe I must walk in authority without fear, resisting what opposes the Heavenly Father and refusing to submit to anything that contradicts His truth.
41. I believe I must act with wisdom, discipline, and restraint, guarding my mind, my actions, and my alignment.
42. I believe I remain steadfast and unshaken in obedience, regardless of pressure or opposition.
43. I believe I am responsible for maintaining my alignment and leading by example in truth and obedience.
44. I believe I must be prepared to stand alone when necessary, walking in courage and conviction.
45. I believe my life must reflect the authority of the Heavenly Father.
46. I believe the mark upon the forehead represents understanding, and the mark upon the hand represents action, and that both reflect alignment with the truth of the Heavenly Father.
47. I believe I am called to come out of systems that oppose the Heavenly Father and to remain separate from structures built on deception.
48. I believe the Heavenly Father alone is to be feared, honoured, and obeyed, and that no ancestor, spirit, or intermediary may stand before Him, come between Him and His people, or take authority that belongs to Him.
49. I believe the Heavenly Father calls and appoints both men and women to serve in this time of preparation, and that all are given authority according to His will to teach, disciple, and fulfil their assignment under Yeshua.
50. I believe the Heavenly Father prepares places of cleansing, covering, and protection, where He meets His people, providing light by day and fire by night, and that I will be led there for healing, restoration, and provision.

SECTION 6: CALENDAR AND COVENANT PRACTICE

51. I follow the Creator's calendar, established in the heavens and aligned with the full moon, which governs His Sabbaths, Passover, and Feasts.
52. I believe His appointed times and feasts are sacred and must be observed according to His order, as a requirement to be set apart as His people.
53. I believe time is established by the Heavenly Father and revealed through the sun, moon, and stars.
54. I turn away from traditions and practices not rooted in Scripture or aligned with the order of the sun, moon, and stars.
55. I believe there must be a clear separation from systems opposed to the Heavenly Father, and that I am called to come out of Babylon in obedience, a decisive breaking away from what once held me.
56. The Seven Churches — I believe the seven churches reveal what has gone wrong within the assemblies, exposing disobedience and calling us to repentance, correction, and restoration in alignment with the Heavenly Father.
57. I believe restoring correct time is part of restoring covenant alignment.
58. I believe the Sabbaths and Feasts, observed on the correct dates, are not optional, but are a sign of obedience.
59. I believe in the covenant meal established by Yeshua, where bread and wine are taken in remembrance of His willing sacrifice: His body given in place of ours, broken to set us free from guilt, and His blood shed as the final and perfect offering, replacing all other sacrifices for the cleansing of sin. This establishes the covenant and fulfils the promise, in precise alignment with Passover, which prepared us for the ultimate Lamb who overcame death and will return.

SECTION 7 — LIFE, JUDGMENT, AND THE KINGDOM

60. I believe there will be a time of great tribulation and testing upon the earth, and that I am called to endure in faith, obedience, and readiness under the authority of the Heavenly Father.
61. I believe the dead will be raised according to the will of the Heavenly Father, and that all will stand before Him in judgment, each receiving according to their deeds, whether unto life or judgment.
62. I believe Yeshua will return to establish His Kingdom on earth and reign for a thousand years with His people, and that there will be no rapture or removal of the faithful before His return, but that together, restored and glorified, we will overcome darkness under His authority until the final judgment of evil.
63. I believe life is a preparation for what is to come, and I am being refined, trained, and tested for glorification.
64. I believe I must endure in faith and obedience, remaining faithful until the end without compromising the Word, my loyalty to the remnant, or my assignment for fear, comfort, or acceptance.
65. I walk in discipline, clarity, and awareness, fully equipped and remaining focused on the teachings of Yeshua, which prevent me from being led astray.
66. I believe I must remain physically grounded to heal, and that spending time in nature restores my body and realigns me with the natural rhythm of the earth and all creation, so that I am not shaken.
67. I believe we grow into our glorified bodies as we embrace the truth of our origins and identity, and begin to live in alignment with healthy order.
68. I understand there is a time to confront darkness and a time to stand firm, and I act in alignment and obedience with the authority of the Heavenly Father when called upon.
69. I believe I must act when instructed and remain still when required, exercising discernment in all things.
70. I believe that Yeshua will return to establish and rule over the Kingdom of the Heavenly Father on earth in righteousness and authority.
71. I believe that King David will be restored according to the promise of the Heavenly Father, to serve under Yeshua in the order and governance appointed to him.
72. I believe the Heavenly Father will raise up His two appointed witnesses to testify in truth and authority, and that His remnant is gathered from the Twelve Tribes of Israel and the Gentile nations according to His covenant.
73. I believe the remnant is called to live, lead, and prepare according to the order of the Heavenly Father in this time.
74. I believe the Kingdom of the Heavenly Father will be established on earth as a real and ordered government under His authority.
75. I believe in the restoration of the Tree of Life, and that the faithful will serve as kings and priests under Yeshua in His Kingdom, as the order of the Heavenly Father is restored and His people walk in their appointed roles.
76. I believe that after this life, all will stand before the judgment of the Heavenly Father, and will receive either eternal life in His coming Kingdom on earth or separation according to His judgment into eternal damnation.

This I declare in truth, obedience, and covenant alignment with the Heavenly Father, through my King and Saviour Yeshua.

Let it be established and sealed in truth, in covenant alignment with the Heavenly Father.
